EKidz Bulletin

Work through the bulletin during church today while Pastor Daniel is preaching! You need a writing utensil and maybe some coloring supplies if you want your drawings to be colorful.

What do you remember about the word 'Holy'? What does it mean? Who is holy? What is holy? Pastor Grace spoke about it and Pastor Daniel will share some reminders too.
Pastor Daniel will explain what the Scripture means when it says "The Flesh" and "The Spirit". Can you write the difference out to help you remember? (you can rewind if needed!)
God is making ALL THINGS NEW! What are some things that are hard, sad, or painful that you are excited about being made new?
Pastor Grace talked about how God moves in us and gives us passion for joining God's work in the world - making all things new. What are some passions you already have? In what way are you eager to help others and share God's love and healing?
