

EKidz Bulletin

Hi, Kids! You can use this bulletin while Pastor Andy is preaching. You'll need a writing utensil and maybe some coloring supplies. Perfect spelling is not required. Pastor Andy's sermon will help you answer some of these questions.

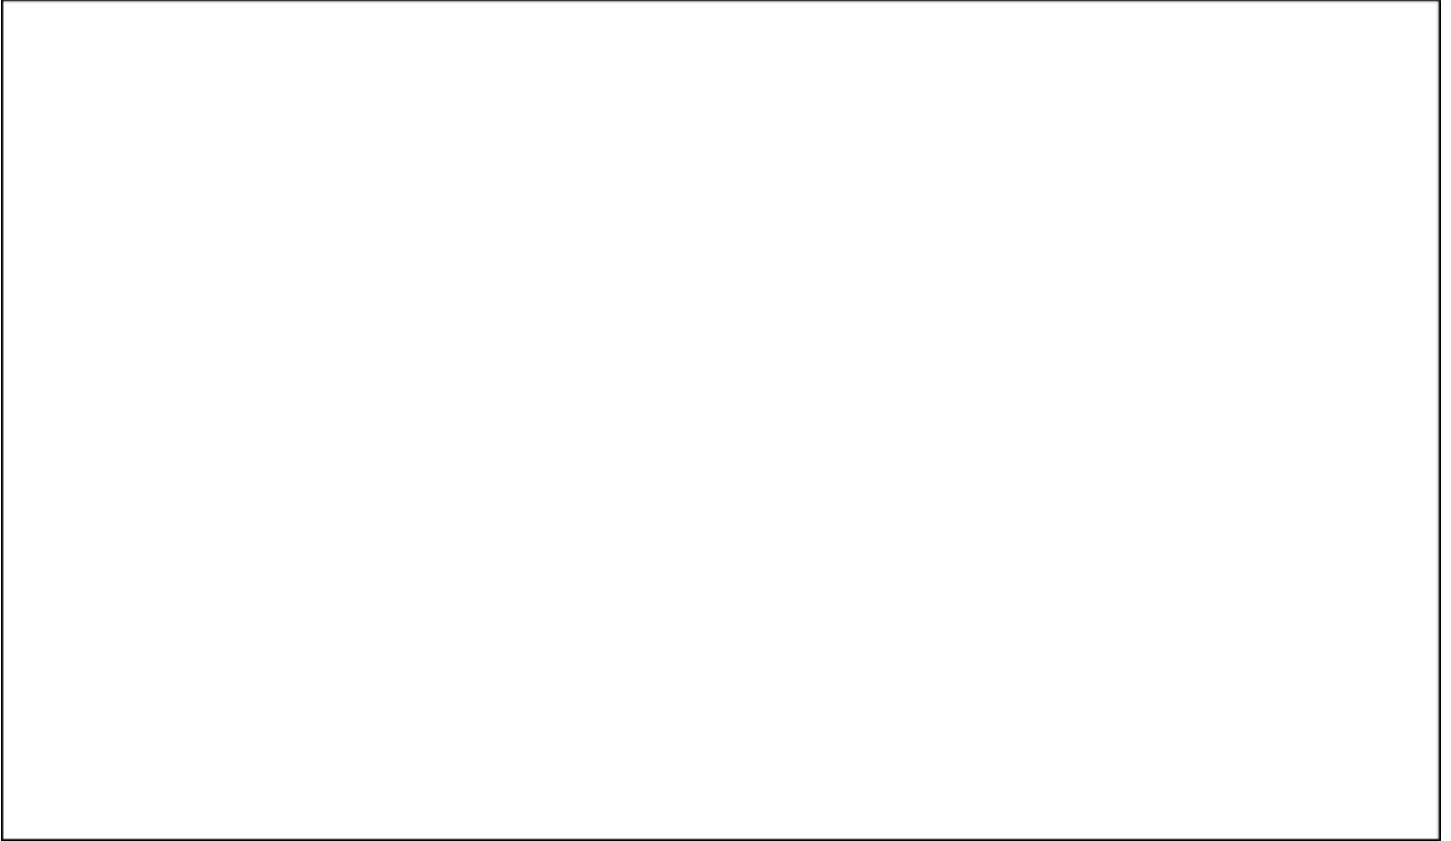

Have you ever been afraid of the dark? Why does the dark seem scary?

How is God like light, and how is sin like darkness?

Pastor Andy is preaching about 'flesh' and 'spirit'. What does it mean to live according to the spirit?

What are two practical ways you can live according to the Spirit? (or, what are two practical ways you can be God's light in the darkness?)

Pastor Grace preached about Jesus being the light of the world and that we are lights too! Can you draw an image that reminds you of a light shining in darkness? (IE: a lighthouse, candle, campfire, etc)

Make up a short story about a person named Alex who has a scary experience in the dark and someone with a light comes to help!

Family Game Idea (for night time):

When it's dark, get out your flashlights and make shadow puppets with your hands. You can even have someone trace the shadow puppets and then you can all color them in, cut them out, and turn them into paper puppets.

Join us for our Zoom Party after church today! Let's hang!!!! <3
