## EKidz Bulletin

Kids, you can use this bulletin while Pastor Grace is preaching today. You need a writing utensil and maybe some coloring supplies if you want. Perfect spelling is not required. Pastor Grace's sermon will help you answer some of these questions.

After Pastor Grace reads the Scripture, write about your reactions to the story.  (What did you think about the man? What did you think about how Jesus helped him? What did you think about the townspeople?)
What does it mean that God has authority?
The forces of evil caused this man great pain and sickness and he was chaotic, violent, and rejected from his community. How did Jesus bring peace to this man?
This is a story that describes that God's Kingdom is here and all things are being made new! How do you think this story shows that? (Pastor Grace will give examples in the sermon)
