Peace is when wrongs are made right. Can you think of a Bible story when Jesus made something wrong to be right?

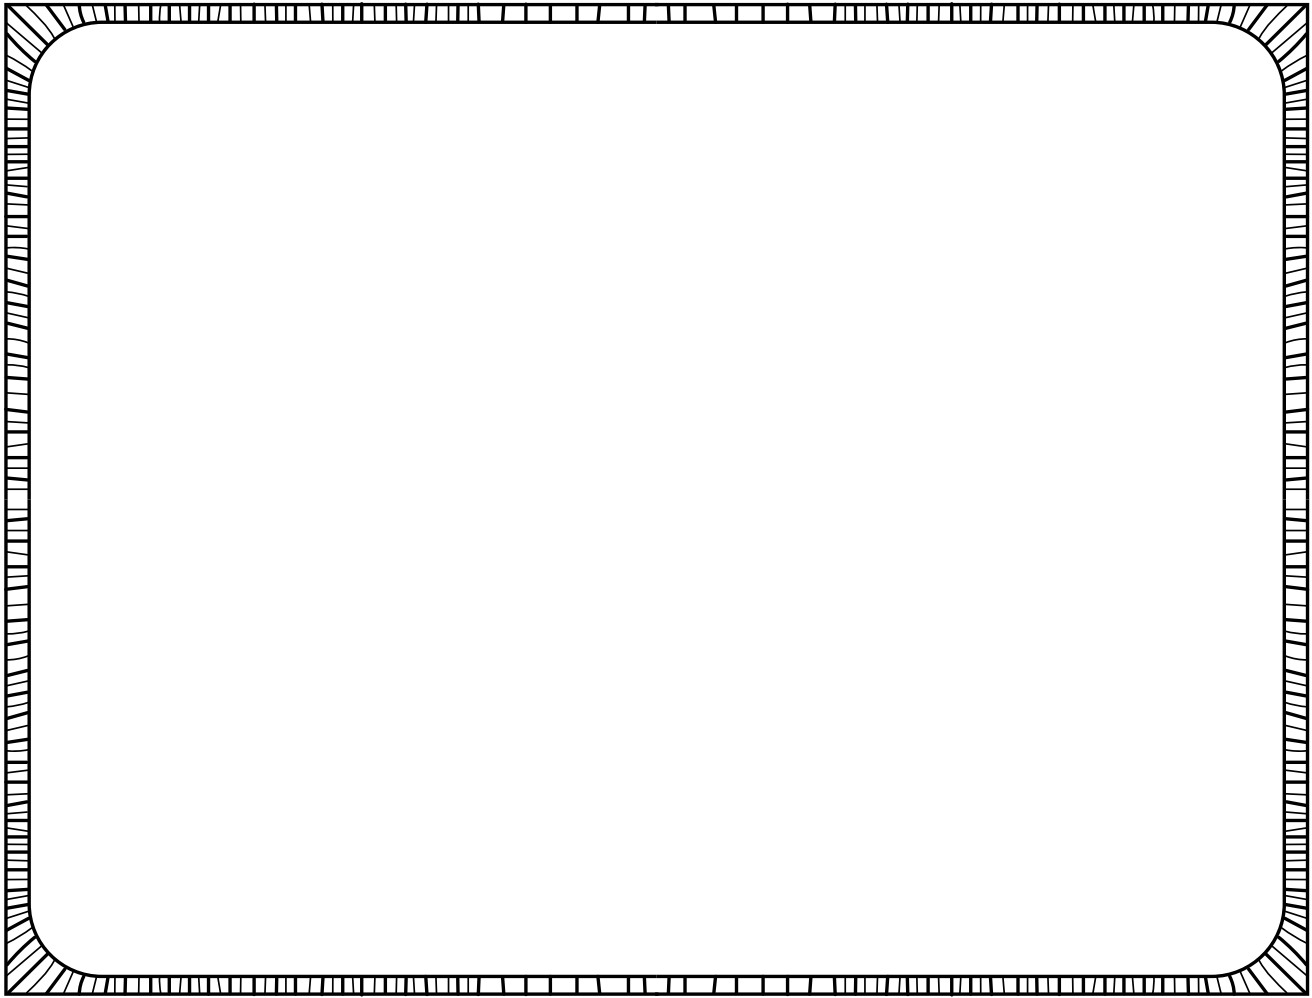

Why do you think it's important and special that Jesus is a Savior who brings peace?

How did Jesus bring peace to the woman who had been bleeding for 12 years?

Describe a time when you, or someone you know, have been a peacemaker:

Draw a picture of one of the Bible stories Pastor Grace or Pastor Andy mentioned their sermons:

For each letter of the word 'PEACE', write an idea (that begins with that letter) of how you can be a peacemaker in the world:
