

EKIDZ BULLETIN

~A SPECIAL GUIDE FOR KIDS TO USE DURING THE SERMON~

How can you show God's love to the people around you?

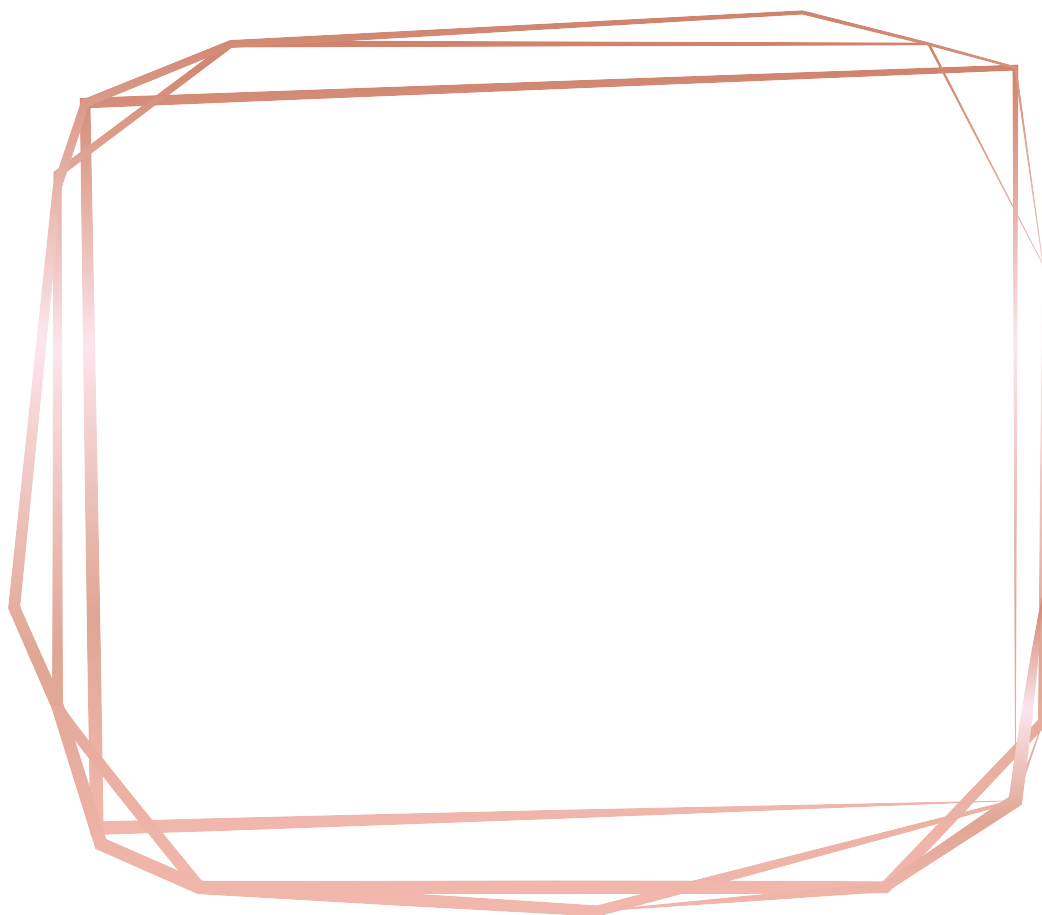

I wonder why it's important to help provide for needs like food, healthcare, water, & shelter in addition to sharing about God's love?

How has God been at work in your life and in the world around you?

What do you want to be when you grow up? I wonder how your future profession could be a way to live out God's love?

Research a country that sparks your interest. Pretend you are going to be a missionary there. Write a few things about the country that will help you be loving and friendly with your new neighbors: (language, foods, how to greet people, customs, etc)

Look up Acts 1:8 (NIV) & fill in the blanks:

But you will receive _____ when the _____ Spirit comes on you; and _____ will be my _____ in Jerusalem, and in all _____ and Samaria, and _____ _____ _____ _____ _____."
