We are kind because God has been kind to us! Can you think of times from the Bible and in your life when God has been kind?

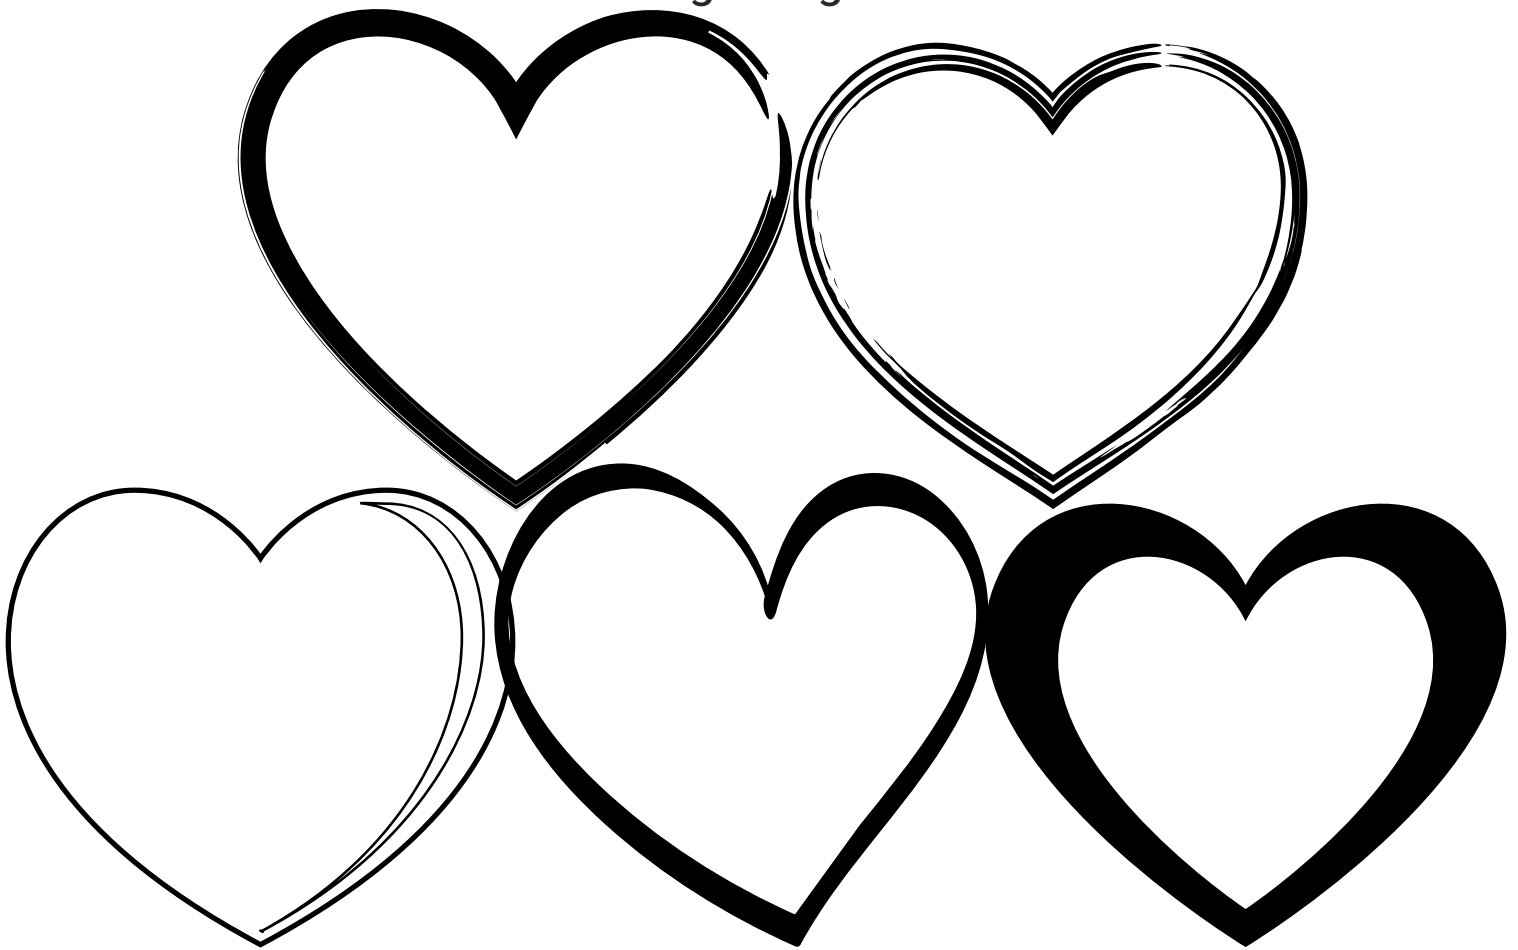

How did God's loving kindness change Zacchaeus? How does it change you?

God forgives us, no matter who we are or what we have done, and makes us new! How is this an example of God's kindness and goodness?

Who are we supposed to show God's kindness and goodness to?

Kindness and Goodness/generosity are ways we express God's love. Inside the heart, write some ways God inspires you to be kind and good/generous!

Draw a picture of someone showing kindness:
