Today we hear from the book of James which is written by... James! Write what you are learning about James:

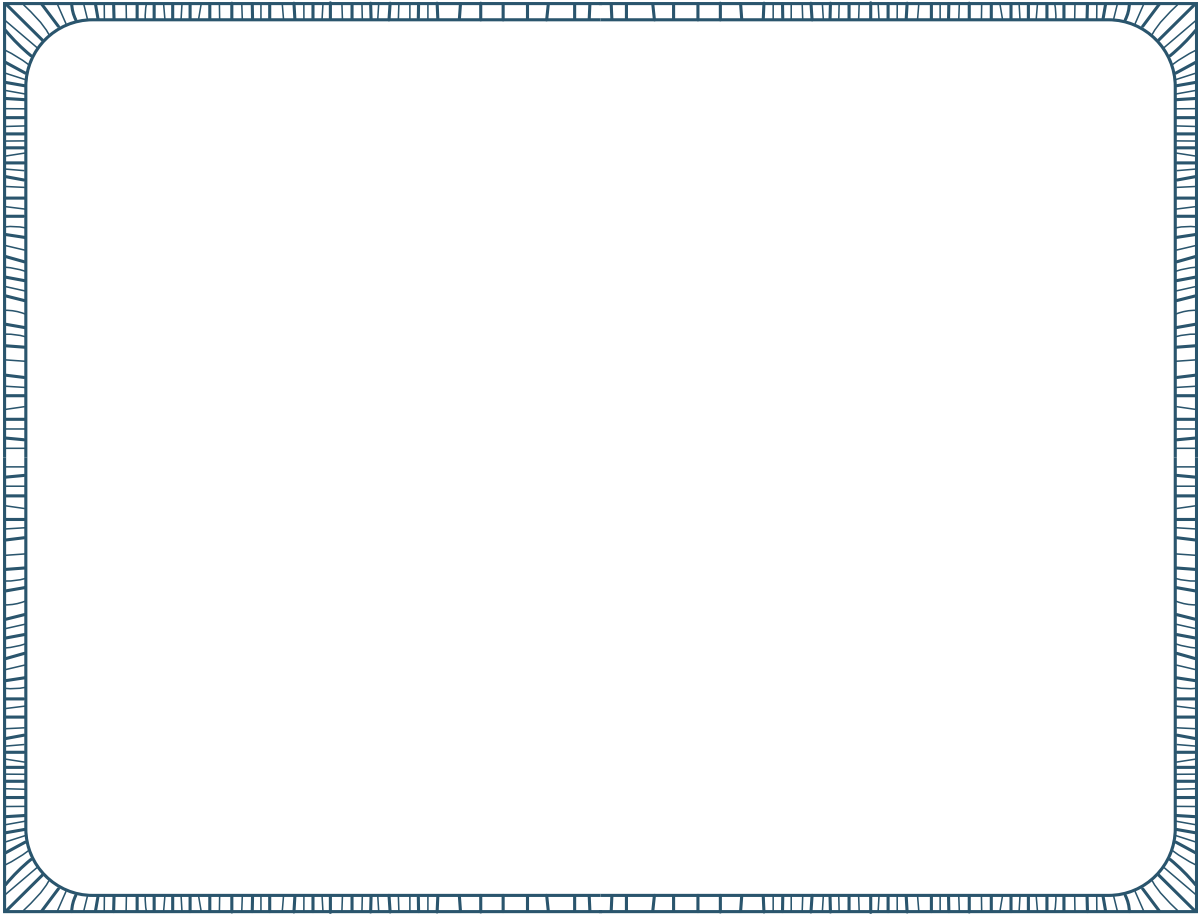

Why do you think we should consider it a joy when we face trials?

How is patience during suffering similar to a farmer who patiently waits for the land and rain to grow his crop?

Look up James 5:11 (NRSV) and fill in the blanks:

"Indeed we call _____ those who showed _____. You have heard of the _____ of Job, and you have seen the purpose of the Lord, how the Lord is _____ and merciful."

Draw a picture of a farmer who has a LOT of great food from harvesting his crop after he waited and waited for it to grow:

**How can you be patient and stand firm in faith during times of suffering?
Write your ideas in the bubbles:**
