What does James explain is wisdom from God? (James 3:17)

Envy and selfishness confuse us into thinking wisdom comes through power over others. It makes us think we are the most important, we need the best stuff, and we need to win at everything! Why is that NOT true wisdom?

Is knowledge the same thing as wisdom? Why or why not?

How does fake wisdom lead to chaos and disorder?

In the left column, draw or write examples of 'fake wisdom' and in the right column, draw or write examples of 'true wisdom' from God:
