What things can you pray about? Pastor Andy will read a scripture from the book of James with ideas, and you can add your own!

If praying for something does NOT guarantee it will happen, why do we pray? Pastor Andy will share about this, so listen closely!

Write down a question you have about prayer to ask your parents or a pastor:

What are some things (or who are some people) you want to pray for every day? Cut or tear this out to put on your nightstand as a reminder.

Pastor Andy said that prayer is the place where heaven and earth overlap. Can you draw a picture that reminds you of that? Use your imagination!
